Incident Case #: 16-4331

## Summary:

On 2/1/2016, at about 7:08 p.m., Bristol Police officers responded to the area of 200 Blakeslee Street for a report of an assault involving a BB gun. Upon arrival, officers found a 58 year old victim suffering from two puncture type wounds on the right side of his face and neck. The wounds were consistent with those caused by a BB and were not life threatening.

The victim reported that about 7:00 p.m. he was walking north on Blakeslee Street in the area of 200 when he heard a couple of shots that he thought were from a paint ball gun then he felt a stinging sensation on the right side of his face. He looked up and was then confronted by the suspect holding a gun. The suspect fired a couple more shots then ran off heading south on Blakeslee Street. The area was searched by patrol units and a K-9 unit, but the suspect was not located.

This incident is similar to one that occurred at the Disabled American Veterans Club located at 191 Riverside Avenue on 1/30/16 at about 1845 hours. The locations are in close proximity and the suspect description is similar.

The suspect is described as a Hispanic male, 20 – 30 years of age, 5'7" to 5'9", stocky build. He was last seen wearing a grey baseball style shirt with blue colored sleeves and a blue baseball cap or bandana. On 1/31/16, the suspect was wearing dark colored clothing, a hat and may have had tattoos on his right arm.

These attacks appear to be random. Anyone with information pertaining to these attacks is asked to contact the Bristol Police Department at 860-584-3000 or the tips line at 860-585-TIPS (8477)
